## TO DRILL BOYS

(By Associated Press.) CHICAGO, April 4.—Chicago park commissioners will provide instructors to drill small boys in the city parks this summer as an aid to future military preparedness.

BOTH WRESTLERS IN  
EXCELLENT SHAPE

BULL MONTANA PERHAPS THE MOST NOTED ATHLETE TO APPEAR IN TONOPAH

Bull Montana who meets William Berne in the big wrestling contest Thursday night, April 11, is perhaps the most noted athlete ever to appear in Tonopah as, in addition to his being trainer and heavy actor for the great movie star, Douglas Fairbanks, he is considered one of the top-notch light heavyweight mat artists in the game today. The Police Gazette of New York City in commenting, with illustrations, on his great match with Henry Irslinger, the holder of the light heavyweight championship belt of Europe, says: "Before a packed house at the Criterion Theater on the Boardwalk, Atlantic City, N. J., Bull Montana, the Italian light heavyweight wrestler and Henry Irslinger, the holder of the Lord Lonsdale belt, emblematic of the light heavyweight championship of Europe, wrestled three hours without a fall. Thanks-giving Day, it was an interesting bout, but the men were so evenly matched that neither could secure an effective hold and the police called a halt when both were nearly exhausted, and Referee Joseph Lutz declared the match a draw."

Montana and William Berne met last year at the Potter Theater in Santa Barbara, Cal., and after three hours and one-half of the most gruelling wrestling in which neither contestant secured a fall and when both were exhausted and covered with blood the police stopped the contest and the present match is the result of that encounter as both men are anxious to get at one another and settle this old grievance. The Berne brothers are expected to arrive in Tonopah from Reno today while Montana will leave Los Angeles Saturday night and arrive here Sunday night.

Kid Bromo, who meets Johnny Morrison, the tough Goldfield boy in the big ten-round boxing contest, is on in Sacramento tomorrow night, and will leave for Tonopah immediately after this fight. With every thing lining up in good shape and the seat sale already large, it looks like a hot time in the old town a week from tonight.

CHARACTERIZE SPEECH  
AS AUSTRIAN BLUFF

(By Associated Press.)

WASHINGTON, April 4.—American government officials and the entente embassies saw another Teutonic peace offensive yesterday in the reported speech of Count Czernin, the Austro-Hungarian foreign minister, declaring that recently negotiations were near between the Austrian and allied governments.

The move, evidently conceived in Germany, was made just as it became certain that the German drive in the west had failed of its purpose and was intended to bring discord among the allied powers and to cause discontent among their populations.

The foreign minister's statement that Premier Clemenceau of France had advanced a suggestion of peace discussions and his reference to Alsace-Lorraine as a stumbling block, it was declared here, were designed to create the belief, that the allies desire to recover Alsace-Lorraine for France, is the only thing that stands in the way of peace.

Officials and members of the diplomatic corps were unanimous in their declarations that Czernin's statements had no basis of fact and further that no peace suggestions coming from the Teutonic powers would be given.

## QUIET ALONG FRENCH FRONT

(By Associated Press.)

PARIS, April 4.—The war office announcement last night says: "There was no infantry action during the course of the day. Quite violent artillery fighting was maintained in the region north of Mont Didier, especially between Demuin and Hangard-en-Santerre. It was quiet everywhere else."

## CRIME WAVE IN GERMANY

(By Associated Press.)

NEW YORK, April 4.—In the Berlin Tagblatt of March 10 is the published statement of a director of a large insurance company regarding 300 robberies and burglaries reported daily in Berlin. It is stated that the number is much higher as many householders and stores are unfurnished against this class of crime. Deserters committed many of the thefts. Burglar bands composed of former convicts and deserters, are also operating. Inadequate policing and lighting is an advantage to the criminals. The sensational increase of crime has greatly alarmed the capital.

MANY WOMEN COME  
PREPARED TO WORK

ALL DESIRING TO HELP WOUNDED SOLDIERS URGED TO ATTEND

The majority of Tonopah people are certainly to be counted on for warm hearts and generous impulses; also they appear to read the papers. Two little newspaper notices about the French model surgical dressings class last night and twenty-six women came with their uniforms to Red Cross headquarters, ready for work. It was the first time many of them had made surgical dressings, yet they turned out over 400 compresses. This is the dressing that goes next to a wound and six times as many of this type are used than any other dressing, according to the latest advice from the front. The Wednesday evening work is in charge of Mrs. Elizabeth Knox, Mrs. Enquist and Mrs. Holstein. These women are naturally very much gratified over the showing made last night and hope more workers will come next Wednesday, as the need is boundless.

Tonight a new class starts under the direction of Mrs. Kinlock. She will announce the names of her assistants later. The nucleus for this class was recruited from the Altar Society, but any one desirous of helping our wounded soldiers is urged to attend and will be made more than welcome. The hours are from 7:30 to 9:30 o'clock, though often the eagerness of the workers keeps them at it until 10 o'clock or after. The only thing necessary to join these classes is a uniform of the approved Red Cross pattern and a willingness to work for your country. So now altogether and over the top for the love of our boys in khaki and the honor of Tonopah!

PUPILS REFUSE TO  
STUDY GERMAN

(By Associated Press.)

EAST ST. LOUIS, Ill., April 4.—All German classes in the high school here yesterday were abolished by the board of education following the refusal of pupils to study the language.

CORPSE SHIP ODD  
SIGHT FOR VISITOR

(By Associated Press.)

BAGDAD, April 4.—Nothing in the land of strange things strikes the European visitor so strangely as the "corpse ship." It is a huge barge piled high with native corpses, many of them several years old, which are being carried down the river to rest in a cemetery near the whitened bones of the Prophet.

The bodies are piled on deck, packed tight in straw cases, on top of which the Arab attendants sit nonchalantly and play a native game resembling dominoes. Some of the corpses are comparatively new, others old. It all depends on how long it took the family of the deceased to save enough money to pay the cost of transportation.

## GERMANS SEND TROOPS

(By Associated Press.)

PETROGRAD, Wednesday, April 3.—Thirty German transports have arrived in Hango, Finland, with troops. The Bolshevik commission for Finnish affairs reports that the Belgian minister to Russia was wounded by White Guards or government troops when he attempted to enter their lines.

## REQUISITION SHIPS

(By Associated Press.)

NEW YORK, April 4.—It is authoritatively reported that the United States has requisitioned a number of Russian steamships.

## Powerful Exterminator.

In India and Australia a rat and rabbit exterminator was tested some time ago. It consists of an outer and inner metal shell, like one small egg in a larger one. In the outer shell is sulphuric acid. In the inner metal egg is dry cyanide of potassium. The outer shell is filled with acid and placed in the rat hole or burrow, and all rat holes are tightly sealed. After an hour or so the acid eats into the cyanide and turns loose a lot of deadly prussic acid gas.

MILL TO BE ERECTED  
AT OLD CANDELARIA

EASTERN SYNDICATE ARRANGING TO TAKE OVER FOUR FAMOUS PROPERTIES

Old Candelaria has for several years past been struggling for a place in the sun, after a long period of depression, following its tremendous activities of the early days. The Bonanza learns that an eastern company that is strongly financed has taken over the Northern Belle, Mt. Diablo, Lucky Hill and Black Metallic groups, which are credited with the production of fabulous sums. It is the plan of the purchasers to run a power line into the camp and mill the ore on the ground.

The rock is rebellious and requires a special treatment. Leasers in Candelaria who have a quantity of \$50 ore are not able to ship to the smelters, as they insist that ore of this quality should run at least \$65 to the ton.

DONATES MONEY  
TO HELP CAUSE

ANOTHER GENEROUS GIFT IS GLADLY RECEIVED BY THE RED-CROSS SOCIETY

R. B. Sorenson, a well known mining man of this district, dropped in at Red Cross headquarters and left a donation of \$25 as a little reminder of his visit. The gift, it is needless to say, was most gratefully received, and valued, not only for its buying power, but also because it shows that every one is willingly holding out a helping hand to the Red Cross. Moral backing is just as important as financial assistance. Every Red Cross home should have the Red Cross magazine. It can be secured by paying \$1 a year to your local chapter. The magazine is first class in every way and besides being full of Red Cross news and information, has many articles and stories by well known writers.

One sweater, one helmet, two pairs box, eleven pairs pajamas and eighty-seven bandages were received this week from Manhattan. Beatty sent in four sweaters and three pairs box. From Rhyolite came sixty-two bandages.

NEW RECORD IN WAR  
SAVINGS CAMPAIGN

(By Associated Press.)

## FINNS INSULT AMERICANS

(By Associated Press.)

STOCKHOLM, April 4.—American and British army officers that recently visited General Mannerheim, the Finnish White Guard leader, upon orders from their Stockholm legations, were insulted and threatened with personal violence by Finnish officers in a restaurant, according to Swedish newspaper correspondents. Americans and Swedes who recently visited Finland declare the incident is typical of the feeling among the great majority of Finns. The restaurant was crowded with Finnish officers from a unit which served in Germany.

## BATTLE FRONT QUIET

(By Associated Press.)

LONDON, April 4.—There was limited activity on the battlefield last night with the exception of hostile artillery fire at various points. The British parties captured a few prisoners and took German machine guns in raids on the Champagne and Verdun fronts.

## WHAT'S WHAT

(By L. L. Mushett.)

Vol. I. Tonopah, April 4 No. 35

It's happened at last. Our careless office devil pied the forms this morning, so we are not able to inform you what we planned to suggest as to the fate of the fellow who does not participate in the drive parade on the 10th or who, if financially able, does not sport a Third Liberty Loan Button. The 1700 level of the Halfax would be too good for him. Charley Blumenthal has reserved his.

## SWAT PROPAGANDISTS

Offenders will be banished to the Island of Solentiname in Lake Nicaragua. Chamorro ordered that all firms on the American blacklist be denied the use of the national telegraph and telephone lines.

WITH THE AMERICAN ARMY IN FRANCE, April 4.—American troops on a certain sector other than that in the region of Toul have been subjected to an extraordinarily heavy gas attack. The attack began Tuesday night and continued at intervals until yesterday morning. Minked with the gas projectiles sent over by the Germans were shells of high explosives.

## AMUSEMENTS

PAULINE FREDERICK AT THE BUTLER TODAY

Pauline Frederick in the short span of her life, has played every sort of part in every kind of dramatic and musical production known to stage or screen. Today she is seen in "The Hungry Heart," from the novel by that name written by David Graham Phillips, which was filmed on the beautiful shores of Lake George, New York. Much of the action of "The Hungry Heart" is out-of-doors and many particularly fine exteriors in the Lake George neighborhood were incorporated by Director Viglola for the benefit of lovers of Phillips' best novels. In "The Hungry Heart" Miss Fredericks has opportunities for emotional acting not equalled in any of her previous pictures. She is called upon to portray every shade of feeling from that of blushing bridehood to the deepest and most jealous love passion. As Courtney Benedict Vaughn, she is first a bride, amazed at her husband's absorption in things outside her sphere and his refusal to admit that she is capable of meeting him on his own intellectual level; then a wife in love with another man; a tempestuous woman, bitter at the false part she must play in the game of life and last of all a heroine who renounces her past life and enters a newer and better understanding with her husband, making of her mistakes a ladder to a happier life. Also today a Paramount Pictograph. Thrift Stamps given to the children at Saturday matinee. Every child attending matinee will have a chance to win a stamp. The \$50 Liberty Loan Contest opens Saturday, April 6th. This bond is going to be given to some school girl or boy. Watch for particulars.
